SUBJECT: TITLE I TEACHER AND PARAPROFESSIONAL QUALIFICATIONS

As a parent of a student attending Young Scholars Academy, you have the right to know the professional qualifications of your child’s classroom teacher(s), and federal law requires the Houston Independent School District (HISD) to provide this information to you in a timely manner, if you request it. Specifically, you have the right to request the following information about each of your child's classroom teachers:

- The teacher's certification in Texas for the grades and subjects he or she teaches.
- The teacher's college major, whether the teacher has any advanced degrees, and the field of discipline of the certification or degree.
- The teacher's certification status, such as emergency or provisional status because of special circumstances.
- Paraprofessionals' (teacher aides) qualifications if they provide services to your child.

If you would like to receive any of this information, please contact Angela Amira-Moody at 713-654-1400 or info@ysafe.org for the Title I contact person at your campus.

Sincerely,

Anella Coleman
